Remember when you used to say
That I was always in your way
I was wasting your time and mine
Remember baby, remember baby

You said, my kiss was cold as ice
You never wanted to kiss me twice
Left me in the back door just cryin'
Remember baby, remember baby

But that was so long ago
I bet you can't do it no more
No more, no more, no more

I bet 'cha can't kiss me just one time baby
Without asking me
Would you believe you'd be beggin' me
For just a little bit more

I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby

Said, I had a will in mind
But I dragged you lovin' from behind
Told me to keep on tryin'

Didn't you baby
Didn't you baby
Didn't you baby
Didn't you baby

I been waiting for the day
When I could look you
Straight in the eye and say
I'm ready to do my part

Take me baby
Take me baby
Take me baby
Take me baby

I sent you a note of gratitude
Thanking you for what you made me do
Me do, me do, me do

I bet 'cha can't kiss me just one time baby
Without asking me
You'll be down on your knees beggin' me
For just a little bit more

I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby
I bet 'cha can't kiss me just one time baby

Sock it to me, sock it to me
Sock it to me, baby
Sock it to me, sock it to me
Sock it to me, baby
