Beyond!, Darling I said Beyond!
Looking for beyond my world!

Just taking my time
Finding the right guy
For my type of love
Just a plan ole women thats not wanted
Just saying that

Chorus:
Just taking my life Beyond
For my life beyond
Seeing my life beyond
Just beyond a roof

Beyond now honey
Finding my lover down in the dead

Just seeing him looking beyond the stars
Now for a roof,roof,roof,roof NOW!
Beyond!

Chorus: Just taking my life Beyond
For my life beyond
Seeing my life beyond
Just beyond a roof
Instrumental

Chorus x2
End
