See these eyes so red
I can see for a thousand years
Colder than the moon
It's been so long
Feel my blood enraged
It's just the fear of losing you
Don't you know my name
Well, it's been so long
And I've been putting out fire
with gasoline

See these eyes so red
Red like jungle running dry
Those who feel me near
Pull the blinds and change their minds
It's been so long
Oh it's been so long

Feel this pulsing night
A plague they call a heartbeat
Just stay here with me
Oh, you wouldn't believe what I've been through
It's been so long
Oh, it's been so long
And I've been putting out fire with gasoline
Putting out fire with gasoline

See these tears so blue
An ageless heart
That can never mend
These tears can never dry
A judgment night
Can never bend
See these eyes so red
I can see for a thousand years
Just stay here with me
Oh, you wouldn't believe what I've been through

It's been so long
Oh, it's been so long
And I've been putting out fire with gasoline

Putting out fire with gasoline
It's been so long
Oh, it's been so long
I've been putting out fire
It's been so long, so long, so long
Been so long, so long, so long, so long
