Here come old flat top, he come grooving up slowly  
He's got joo joo eye balls, he want holy roller  
He's got hair down to his knees  
He's got to be a joker, he just do what he please  
He wear no shoe shine, he's got toe jam football  
He's got monkey fingers, he shoot Coca Cola  
He says, 'I know you, you know me'  
Cause one thing I can tell you is you got to be free  
Come together, right now, over me  
He bag production, he's got walrus gumbboot  
He's got Ono psycho, he want spinal cracker  
He's got feet down below his knees  
Hold you in his arms, still you can feel his disease  
Come together, right now, over me  
He rollercoaster, he's got early warning  
He's got Muddy Water, he want mojo filter  
He says, 'One and one and one is three'  
Got to be good looking 'cause he's so hard to see  
Come together, right now, over me  
Ho, come together, yeah  
Come together, yeah...
