I can't sleep at night  
I can't nap through the day  
Can't hold on much longer, babe  
Can't live in this way

You know, I'm crazy 'bout you, baby  
And I wonder, do you ever think of me?  
You know, I'm wild about you, baby  
But you don't care nothin' in this world for me

You know, it ain't but one thing, baby  
Sittin' next to your favorite drink  
But to hear you say, you don't love me  
Then I begin to think

'Cause now you know, I'm crazy 'bout you, baby  
And I wonder do you ever think of me?  
You know, I'm wild about you, baby  
And you don't care nothin' in this world for me

You know, I'm crazy 'bout you, baby  
And I wonder, do you ever think of me?  
You know, I'm just wild about you, baby  
But you don't care nothin' in this world for me

Sometimes, I sit and wonder  
What am I gonna do?  
I guess, if I try hard enough  
Did I forget about you

Right now, I'm crazy 'bout you, baby  
And I wonder, do you ever think of me?  
You know, I'm wild about you, baby  
And you don't care nothin' in this world for me

I'm so crazy 'bout you, baby  
I'm just wild about you, baby  
I'm hooked, lyin' and think  
[Incomprehensible]  
Got my nose wide open, baby
