Really brings me down, I don't know how
That you can say you're not my kind
Couldn't find a cloud for miles around
Why do you change your story line

It all goes gray again
Sometimes I don't know when
To come out of the storm
It feels like forty days
And forty nights I've been
Beating on your door

Hey I'm fallin' like rain
Oh I, I love you, love you, love ya
Fallin' like rain
Oh I, I'm comin' down around ya
I will always think about you

My sentimental ways
Don't seem to phase
You know I don't ever
Wanna force your hand
If you met me one time
Just half the way
I could meet you where you are
Just meet me where I am

'Cause every now and then
You've gotta drive right in
Deeper than deep
You take a chance and then
You give the wheel a spin
Anyone can see

Hey I'm fallin' like rain
Oh I, I love you, love you, love ya
Falling like rain
Oh I, I'm coming down around ya
I will always think about you

Falling like rain
It feels like forty days

And forty nights I've been
Beating on your door

Hey I'm falling like rain
Oh I, I love you, love you, love ya
Fallin' like rain
Oh I, I'm coming down around ya
I will always think about you, I do

I love you , love you, love ya
Fallin' like rain
Oh I, I'm only givin' love ya
I will always think about you
Oh you, love you, love you, love ya

Fallin' like rain
Oh I, I'm coming down around ya
I will always think about you, I do
I love you, love you, love ya
Fallin' like rain
Oh I, I'm only givin' love ya
