Falling

Help me, I'm falling

Helplessly falling

Falling for you

And mountains

There may be mountains

The highest mountain

Won't keep me from you, oh yeah

For you I'd swim across an ocean wide

Just to be with you I'd even dare to fly

It's the miracle that happens every time

I fall for you, oh yeah

And forever and forever without end

I just keep...

Falling

Needing and wanting

The only one thing

That I want is you, oh yeah

For you I'd swim across an ocean wide

Just to be with you I'd even dare to fly

It's the miracle that happens every time

I fall for you, oh yeah

And forever and forever without end

I fall for you

For you I'd swim across an ocean wide

Just to be with you I'd even dare to fly

It's the miracle that happens every time

I fall for you, oh yeah

And forever and forever without end

I fall for you, oh yeah

And forever, forever without end

I fall for you

I fall for you
