I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
'Cause he ain't here with me
Hey, window pane, tell me, do you remember
How sweet it used to be?

When we are together
Everything was so grand
Now that we've parted
There's just a one sound that I just can't stand

I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
'Cause he ain't here with me

When we are together
Everything was so grand
Now that we've parted
There's just a one thing that I just can't stand
I can't stand the rain

I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
'Cause he ain't here with me

When we are together
Everything was so grand
Now, now you've got some sweet memories
But it's a one sound that I just can't stand

I can't stand the rain against my window
(Hmm)
Bringing back sweet memories
I can't stand the rain against my window, ho
It's just keeps on haunting me

Hey, hey, hey
Get off of my window
(Hmm)

'Cause he ain't here with me
I can't stand the rain against my window, ho
Bringing back sweet memories
