If you want some loving, yes  
That I'll give to you  
If you want some huggin', baby  
I can hug some too

All I want, baby  
Is some thoughts of you  
Just a little bit attention  
You know, will see me through

'Cause you know, you're my kind  
And I want you to be mine  
I idolize you, yes I idolize you

I would like to make love to you  
When the lights are low  
I would like to scream to you baby  
Just to let you know

All I want, baby  
Is some thoughts of you  
Just a little bit attention  
You know, will see me through

'Cause you know, you're my kind  
And I want you to be mine  
I idolize you, yes I idolize you

Oh, what a feeling, yeah  
You know I will get  
If I could comfort you baby  
And make you my pet

All I want, baby  
Is some thoughts of you  
Just a little bit attention  
You know, will see me through

'Cause you know, you're my kind  
And I want you to be mine  
I idolize you, yes I idolize you

I idolize you, oh baby  
Yes I idolize you
