Every time I think of you  
I always catch my breath  
And I'm still standing here, and you're miles away  
And I'm wondering why you left

And there's a storm that's raging  
Through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile

I spend my time thinking about you  
And it's almost driving me wild  
And there's a heart that's breaking  
Down this long distance line tonight

I ain't missing you at all  
Since you've been gone away  
I ain't missing you  
No matter what I might say

There's a message in the wire  
And I'm sending you the signal tonight  
You don't know how desperate I've become  
And it looks like I'm losing this fight

In your world I have no meaning  
Though I'm tryin' hard to understand  
And it's my heart that's breaking  
Down this long distance line tonight

I ain't missing you at all  
Since you've been gone away  
I ain't missing you  
No matter what my friends say

And there's a message that I'm sending out  
Via telegraph to your soul  
And if I can't bridge this distance  
Stop this heartbreak overload

I ain't missing you at all  
Since you've been gone away

I ain't missing you  
No matter what my friends say

I ain't missing you, I ain't missing you  
I can't lie to myself  
And there's a storm that's raging  
Through my frozen heart tonight

I ain't missing you at all  
I ain't missing you, missing you  
I ain't missing you, no, no  
I ain't missing you

I ain't missing you, I ain't missing you  
I ain't missing you, I ain't missing you  
I ain't missing you, I ain't missing you

Every time I think of you  
I always catch my breath
