Just lookin' for a new man
Out in the sunlight
Trying hard to impress myself!
Oh I'm seeing now what I'm really made out

Chorus:
I pumped up the Sun!
Rising on the time
Pumped up the Sun Yeahhh!
RISING!

On the life I made
I'm not doin' good!
Trying hard to look for a man
I have no luck on what I'm doin!

Every thing that I dream off
Will tommorrow dissappear
It all comes back to my heart!

Chorus:
I pumped up the Sun!
Rising on the time!
Pumped up the Sun Yeahhh!
Rising!

Rising on the time[Pumped up the sun]
Rising on the time[Pumped up the sun]
Rising on the time[Pumped up the sun]

Chorus:
I pumped up the Sun!
Rising on the time!
Pumped up the sun Yeahhh!
RISING!

OHHH YEAH! Rising on the time!
Whew!
