Don't give your love to sexy Ida  
'Cause she's the sister of a black widow spider  
Don't try your love on sexy Ida  
You might as well try it with some spider  
She's got this long black hair, it's a hangin' on down  
her back  
Long black pretty legs and she walks just like a cat  
Hypnotic eyes and a stacked up love sack  
She not only wants your love  
She wants your life after that...don't do it  
Don't give your love to sexy Ida  
'Cause she's the sister of a black widow spider  
Said you better not try it  
Don't try your love on sexy Ida  
You might as well try it with some spider  
She's got a king sized bed with satin sheets of love  
And you'll never wanna leave, no  
The web of love she weaves...but I'll tell you  
Don't give your love to sexy Ida  
'Cause she's the sister of a black widow spider  
You better not try it  
Don't try your love on sexy Ida  
You might as well try it with some spider  
You gotta beware of sexy Ida  
'Cause she tries to look so sweet and kind  
But her looks can be deceivin'  
'Cause her love is like strychnine  
So don't give your love now  
So don't give your love to sexy Ida  
'Cause she's the sister of a black widow spider  
Better not give your love to Ida  
Don't try your love on sex Ida  
You might as well try it with some spider  
No, don't you give your love  
Don't give your love to sexy Ida  
'Cause she's the sister of a black widow spider...
