I was thinking about parking the other night  
We was out on the back road  
Me and my baby was just getting right  
All systems gone overload

Radio blasting in the front seat  
Turning out the music fine  
And we were snuggled up in the back seat  
Making up for lost time

Steamy window  
Zero visibility  
Steamy window  
Coming from the body heat

You can wine and dine with a man all night  
With good intent  
But there is something about a confrontation on the  
back road  
Breaks down the difference

Steamy window  
Zero visibility  
Steamy window  
Coming from the body heat

Steamy window  
It ain't nobody can see  
Steamy windows  
Coming from the body heat  
Take a look

There's a sound outside the front door  
And I know it's just the wind  
But it makes him snuggle up just a little bit closer  
And start things happening again yeah, yeah, yeah

Steamy window  
It ain't nobody can see  
Steamy window  
Coming from the body heat

Steamy window  
The road is a bounty  
Steamy window  
Coming from the body heat

Steamy window  
Steamy window  
Steamy window yeah  
Zero visibility yeah  
Steamy window
