It's time to face the music
Tonight, I came to use it
You never know
Who you're gonna meet in here

I thought I'd never find him
The dark an' handsome kind
I used to dream of
And now you're standing there

Though you're looking good to me
It doesn't mean that you can do as you please
No, no, no, no, no

Oh baby, you're the best thing in my life
(But a one track mind is what you got)
Oh baby, you're my best bet here tonight
(And a one track mind is worth a lot)
I've got no good reason to believe we'll last for long
But that's good enough for me, 'til the right man comes
along

I've waited for a lover
The kind who'll stay forever
You look to me
Like the sort of man I need

It's not the best scenario
But now I've found you, I'm not letting you go
Oh, no, no, no, no, no

Oh baby, you're the best find in my life
(But a one track mind is what you got)
Oh baby, you're my best bet here tonight
(And a one track mind is worth a lot)
For the perfect guy, maybe I should be holdin' on
And with you I could, 'til the right man, 'til the right man
comes along

Oh baby, you're the best find in my life
(But a one track mind is what you got)
Baby, the best bet here tonight

(And a one track mind is worth a lot)
Until the right man comes along
(But a one track mind is what you got)
'Til the right man comes along, comes along
(And a one track mind is worth a lot)
Baby, you're the best, say you're the best
You're the best thing in my life
(But a one track mind is what you got)
