Once in a lifetime you find  
Someone to show you the way  
Someone to make your decisions  
But I let you lead me astray

Who did you think you were fooling  
Said you were missing me blind  
But the truth is I knew you were lying  
You were using me time after time

When the heartache is over  
I know I won't be missing you  
Won't look over my shoulder  
'Cause I know that I can live without you  
Oh live without you  
Oh I can live without you

Time to move on with my life now  
Leaving the past all behind  
I can make my own decisions  
It was only a matter of time

Sometimes I look back in anger  
Thinking about all the pain  
But I know that I'm stronger without you  
And that I'll never need you again

When the heartache is over  
I know I won't be missing you  
Won't look over my shoulder  
'Cause I know that I can live without you  
Oh live without you  
Oh I can live without you

When the heartache is over  
I know I won't be missing you  
Won't look over my shoulder  
'Cause I know that I can live without you

When the heartache is over  
I know I won't be missing you  
Won't look over my shoulder

'Cause I know that I can live without you, yeah

Yeah I can live without you

Oh, I can live without you

Live without you

I can live without you, yeah

I can live without you
