Once in a lifetime you find  
Someone to show you the way  
Someone to make your decisions  
I let you lead me astray

Who did you think you were fooling  
Said you were missing  
But the truth is I knew you were lying  
You were using me time to time

When the heartache is over  
I know I won't be missing you  
Won't look over your shoulder  
Cause I know that I can live without you

Oh, live without you

Oh, I can live without you

Trying to move on  
Leaving the past all behind  
I can make my own decisions  
It's only a matter of time

Sometimes I look like an angel  
Thinking about all the pain  
But I know that I'm stronger without you  
And that I'll never need you again
