Tell me why  
Why must we wait until tonight  
Tell me why  
Why must we wait until tonight

Youre gonna take a little time  
Gonna drink me like a fine wine  
Write the book of love line by line  
But I wanna play with you baby  
Right now  
Go all the way with you baby  
And show you how  
Cause my body just cant say no  
And my fingers just wont let go

Tell me why  
Why must we wait until tonight  
Tell me why  
Why when Ive waited all my life  
Youre touching me Im touching you  
What should I do now  
Tell me why  
Why must we wait till tonight

You like to take it real slow  
Show me every little move you know  
Take a little love and watch it grow  
But I wanna lay with you darling  
Right now  
Make love all day with you baby  
And show you how

Take my body dont take my time  
Take your lips and make them mine

Tell me why  
Why must we wait until tonight  
Tell me why  
Why when Ive waited all my life  
Youre touching me Im touching you  
What should I do now

Tell me why  
Why must we wait till tonight

Cause my body just cant say no  
And my fingers just wont let go

Tell me why
