Please do not be alarmed, remain calm.  
Do not attempt to leave the dance floor.  
I can go harder than any one of them  
sex, radio kill them on the ...  
Prefer the TV see me through the lens  
My hits are more than a million again  
How many man are gonna send,  
countless just like the money that I spend  
and the friendships coming to an end  
Broken now too late to amend.  
I've been ... Wild with a pen  
Like Eski ... Wiley again  
Please don't doubt i am hundred percent  
Ruff Sqwad representer right till the end  
They all know I am stacking ... they wanna rob me yank  
my gems  
we can take it to the full extend  
Like a, fuck you and your foolish friends  
I came from the dungeon when once in a while we  
found some  
Now i'm young black and handsome  
I got white girls beggin for threesomes.  
I'm setting my sights on some big hit with the ice on  
Racking ...  
On my 24 carat gold iPhone  
I ain't gotta prove what i talk, i walk it.  
Loads of bars and a tool ...  
everybody is waiting for something exclusive  
so we drop bombs bigger than Whoo Kid's  
Yeah, i am one of them cool kids  
Can't see me i'm highly elusive  
Some say that i define show biz  
If you see me around so you know it's mad  
Oooofff, Took the Sqwad back to Vegas and we went  
mad  
Oooofff, In an English accent and send them lighties  
mad  
Oooofff, I stayed ever so focused and never went mad  
Oooofff, Wait, Where did i go check me  
Now i'm back ... i never left  
Still got something to prove never the less  
Them boys come and gone, them girls come and gone

Yo Jammer who's next? Who's next?  
Yeah, i am ever so blessed.  
Followed the right way never went left  
Obey my rules and never protest  
Yeah, you know the process  
Clothes, sellout. Shows, sellout.  
From the front row to the back they get out  
Yo chill out, heres a zoot billout.  
(I can't even begin to guess what he says here)  
Before i get it out Bring the whole flow out  
Didn't know i'm a G hit that star  
Cause i don't talk with an accent  
Yeah, i'm in my ... and woolly hat  
And the same pair of shades ... had  
Yeah, I'm a star in the hood  
Artist, business man, Gimme that  
Ohhh, how long have i got?  
We can start from go and move right to the top  
It's a freestyle no rule, no block  
Nah, i'm done i'm signing i'm off, like ahhh  
We repeat. This is only a test.
