Know we  
(No need to try too) Yeah

(No need to try too) They know we

(Too no need to try)  
Yeah  
(Too too does not need to try)  
We told  
(This  
Not try this did you try)

We told them (do not you try this you do try  
)  
They know  
(Does not need too try)  
Yeah  
(No need to try too) They know we

(No need to try too) Yeah

(Too too has need)  
Be Stupid  
Training with me Come  
In the game happy with me and look for Building  
Enemy  
Close the wedge with which to me is what is below the

Talk we will follow the Cross /> This time we are in part  
It below at the end we try

Be stupid with me saying  
Bring to the man when you get me  
Take the pain with Energy  
Far  
Keep the promise that is what is  
Which is a hive  
Establish what is known in a gain in espace"> "Apple-  
convertie apple  
Class = "ILAD"> Close up is there anyone to address  
Not Flying

(What do not you try this  
Not try)

We told them (do not you try this you do try  
) They know we

(No need to try too) Yeah

(No need to try too)  
They know we  
(No need to try too) Yeah

(Too too does not need to try)  
We told
