They said our luck could change
So many times now that I forget
The questions and the lies
And you know that I've been wrong
So many times before
This time I won't hide
In the sweetness of a smile
You said our luck could change
Forget the reasons why

?Cause I want you
To know that it's true
Can't you see that I'm telling you so
Telling you so

It took me all apart
Stopped the loving
Look around you now
I feel it's all gonna change
And you know that I've been wrong
So many times before
This time I won't hide
And you know that I can hide
You said our luck could change
Forget the reasons why

?Cause I want you
To know that it's true
Can't you see that I'm telling you so

Yeah, I want you
Wanna know that it's true
And I need you to tell me it ain't so

?Cause I want you I wanna be your luck (?)
To know that it's true I don't wanna be the way that you
tell (?)
Can't you see that I'm telling you so

Yeah, I want you I don't wanna be the way that you
choose (?)

Wanna know that it's true I don't wanna be the way
that you see (?)
And I need you to tell me it ain't so

?Cause I want you
To know that it's true I don't wanna be the way that you
choose (?)
Can't you see that I'm telling you so

Yeah, I want you I don't wanna be the way that you see
(?)
Wanna know that it's true
And I need you to tell me it ain't so

?Cause I want you
To know that it's true Don't wanna be the way that you
see (?)
Can't you see that
I'm telling you so Don't wanna be the way that you?
