I've been loving you too long
To stop now
You are tired and you want to be free
My love is growing stronger as you become a habit to
me
Ooh, and loving you too long
I don't want to stop now
With you my life has been so wonderful
I can't stop now
You are tired and you're love is growing cold
My love is growing is stronger as our affair, affair
grows old
I've been loving you
Oh, too long to stop now
I've been loving you a little too long
I don't want to stop now
Don't make me stop now,
Oh baby, I don't need, so please don't make me stop
now
I love you, I love you, I love you with all my heart
And I can't stop now
Please, please, please, please don't make me stop now
