### "Number One"

(feat. N-Dubz)

Ah uh uh oh  
Ah uh uh oh  
Ah uh uh oh  
Ah uh uh oh (na na naii)  
Ah uh uh oh  
Ah uh uh oh (Tinchy Stryder)  
Ah uh uh oh (N dubz)  
Ah uh uh oh (yo)

It was nothing but a quick think  
Kids games, kiss chase, just a quick fling  
Now I'm hoping you never go missing  
Now I'm telling you, you can hold this ring, watch how it  
glistens  
It was done as quick as the wind blows  
Didn't think I would ever be involved  
So I even wrote a song called 'don't go'  
Now it's just you and me on a love row  
Dappy like dino us two tip toes duck dive get low  
And now I care less about who knows  
Now we're deep in way past intro dappy explain yo

*[Hook:]*

See never did I think a boy like me would be in need  
When all I really wanted was to have some fun  
Now I'm losing my head, I'm telling you one thing  
You're number one

*[Chorus:]*

See I don't understand how you're number one  
When it was just a fling before now, you're the one  
See all I did was blink twice,

From my homie to my only  
Number one

Ah uh uh oh  
Ah uh uh oh  
Ah uh uh oh

Ah uh uh oh

I never thought I'd get here  
Never thought I would care  
Cause I was always looking out for me  
I was being selfish, I couldn't see  
All I want was right in front of me  
But baby I've changed  
Cause you got me tamed  
You're my number one now priority

*[Hook:]*

See never did I think a boy like me would be in need  
When all I really wanted was to have some fun  
Now I'm losing my head, I'm telling you one thing  
You're number one

*[Chorus:]*

See I don't understand how you're number one  
When it was just a fling before now, you're the one  
See all I did was blink twice,

From my homie to my only  
Number one

You lift me off the ground  
I always want you around  
I ain't gonna let nothing get in the way  
I'll never let nothing get in the way

You lift me off the ground  
I always want you around  
I ain't gonna let nothing get in the way  
I'll never let nothing get in the way

Trust me when I say  
I ain't never gonna let nothing get in the way  
Cause we was always cool as freinds back in  
The day  
It's funny how you changed it's got me going  
Insane  
See you ain't like the rest you run in your own lane  
You are number one

*[Chorus:]*

See I don't understand how you're number one  
When it was just a fling before now, you're the one  
See all I did was blink twice,

From my homie to my only  
Number one

You're number one you're in the race  
You're a leader  
Girl you're out of this world I can't see ya  
And now you got a place in my heart  
It's funny how you actually went  
From my homie to my only  
Number one
