Walking home alone
Spend my time crossing roads
They might say hello, they might commit the blow
You never know
She?s a heroine now
So I slow down
Her pace quickens, my heart sickens
I wonder what I am

Chorus:
Rotweilers and mace
You get?em in your place
Whether you?re to blame, you get treated the same
Rotweilers and mace

He?s a big man
Got a big dog
What you?ll ever need is just a dick on a lead
Rotweilers and mace

Chorus

They say possession
Is not in terms of the law
You want my things you got to take me
You got the choice
Chorus
