Running wild through my mind that I can't sleep tonight  
Running wild through my mind that I can't sleep tonight

Like a child, like a child I have no place to hide  
Running wild, is there no ending for the -

Running wild through my mind that I can't sleep tonight  
And all the while when I can't sleep tonight, I can see  
you  
Running wild through my mind that I can't sleep tonight  
And all the while while I can't sleep tonight, I can see  
you

Running wild, running wild  
Running wild, running wild

The underside, the underside of my mind  
There's a cry that I can't even reach out (?)  
There's a fire, do you feel that too?

Running wild through my mind that I can't sleep tonight  
And all the while while I can't sleep tonight, I can see  
you

Running wild, running wild  
Running wild, running wild
