[Taio Cruz]

I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love

[Tinchy Stryder]

Them mistakes I will learn from them  
Now you've changed, you were stern back then  
Close the case, where's the lid  
Rebuild the bridge that I burned down then  
Back to an item all resurrected  
Now we're back online, we're connected  
You're older, I'm wiser, let's paint this picture perfect

[Taio Cruz]

I could have been anywhere by now, but nowhere feels  
better than home  
Yeah yeah yeah  
If you don't know you should know right now that you're  
the only that I want  
Oh oh oh  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
Yeah yeah yeah yeah yeah yeah yeah yeah Yeah  
yeah yeah yeah yeah yeah yeah yeah yeah Yeah, oh

[Tinchy Stryder]

Yo, if the vision ain't clear for now  
Wipe my eyes, and I cleanse them out  
Went from up to down, to I nearly drowned  
And now we're back around 360  
And I missed you more than you miss me  
It's a four letter word that my lips read  
Now we're doing it faster in light speed

And the time is right so kiss me

[Taio Cruz]

I could have been anywhere by now, but nowhere feels

better than home  
Yeah yeah yeah  
If you don't know you should know right now that you're  
the only that I want  
Oh oh oh  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
Yeah yeah yeah yeah yeah yeah yeah yeah Yeah  
yeah yeah yeah yeah yeah yeah yeah yeah Yeah, oh  
Yeah yeah yeah yeah yeah yeah yeah yeah Yeah  
yeah yeah yeah yeah yeah yeah yeah yeah Yeah, oh

[Tinchy Stryder]  
They said the doors were closing in  
Grab the towel throw them in  
Let's try a second time, if it's wrong we fit the crime  
Now the doors are opening, take my hand let's try  
again  
Yeah, we're born to fight, welcome some soldiers in

[Taio Cruz]  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love  
Yeah yeah yeah yeah yeah yeah yeah yeah Yeah  
yeah yeah yeah yeah yeah yeah yeah yeah Yeah, oh  
Yeah yeah yeah yeah yeah yeah yeah yeah Yeah  
yeah yeah yeah yeah yeah yeah yeah yeah Yeah, oh  
I can't believe I got a second chance at love  
I can't believe I got a second chance at love
