*[Verse 1: Tinchy Stryder]*

Yh, But look how fast she got ma heart beat racin'

I said I'll be gone by noon but it's now past evenin'

I mean it, I don't think I'm plannin' on leavin'

Soft lips I'm in love with the feelin'

In bed she a freak I'm a demon

Outside she a lady das my baby

Me I'm a goon with feelin's

She's dere when I need her most

So I keep her here, hold her close

I spoil her I like to see her boast

He bought me these, them and those

Tell them we don't need no hoes

No game show real life no joke

Nd I ent one to get close

But this time round look I can feel it

*[Chorus:]*

Eveyrtym we're makin love  
I can feel it thump

*[Verse 2: Tinchy Stryder]*

Believe me  
She ent on a hype like the rest of 'em she's all easy  
But she don't live local either  
Me I'm here like say the hood needs me  
Nd I still will say don't trust dem ones that flex like dirt  
Brush dem  
Look she's like an angel walkin'  
If there's devils in her path she'll crush dem  
But it ain't no story made up  
We do argue make up kiss  
We'll mayb a little bit more den a kiss  
But get me the point is we make up  
Nd she ent lyin like say she's grounded  
Me I keep ma business grounded  
With me it's all safe nd sound  
But this time round look I can feel it

*[Chorus:]*

I can feel it thump  
Eveyrtym we're makin love  
I can feel it thump  
Everytym our lips touch  
I can feel it thump  
Everytym your by my side  
I can feel it thump

When I gaze into your eyes  
I can feel it thump  
Everytym we're holdin hands  
I can feel it thump  
Everytym we slow dance  
I can feel it thump  
Everytym I kiss your skin  
I can feel it thump  
Baby I can't describe this feelin'

*[Bridge:]*

Ma heart goes thump, thump, thump, thump  
Thump, thump, thump  
Nd ma heart goes thump, thump, thump, thump  
Thump, thump, thump, thump

*[Breakdown:]*

I can feel it (I can feel it)  
I can feel it (I can feel it)  
I can feel it (I can feel it)  
I can feel it (I can feel it)  
I can feel it (I can feel it)  
I can feel it (I can feel it)  
I can feel it (I can feel it)  
(Tinchy Stryder:Cloud 9)  
I can feel it (I can feel it)

*[Verse 3: Tinchy Stryder]*

It's like she brings out the best in me  
When we all chill in da stress indeed  
I ent about all vexin beef  
Or caught in the hype your better then weed  
I kno I sed I rely on me  
But sometimes even I'm in need  
Sometimes the future looks dim  
Guess who's there to help me see  
U see me I live through music  
I'm the one swear down I'll prove it  
When I feel like the world is against me  
There's one voice tellin' me you can do this  
One voice tellin' me get through this  
Like a loyal friend no judice  
Wise she's far from clueless  
Nd the truth is  
I can feel it

*[Chorus:]*

I can feel it thump  
Eveyrtym we're makin love  
I can feel it thump  
Everytym our lips touch

I can feel it thump  
Everytym your by my side  
I can feel it thump  
When I gaze into your eyes  
I can feel it thump  
Evertym we're holdin hands  
I can feel it thump  
Everytym we slow dance  
I can feel it thump  
Everytym I kiss your skin  
I can feel it thump  
Baby I can't descirbe this feelin'

*[Bridge:]*

Ma heart goes thump, thump, thump, thump  
Thump, thump, thump  
Nd ma heart goes thump, thump, thump, thump  
Thump, thump, thump, thump
