Verse 1

Cloud 9,... Strydes, Stronger survive.

Yeah, I'm feeling like the pressures on,
Yeah, all eyes on me.
My heart keeps racing away from me,
So I chase it down trying to kill the beat,
Yeah,... me some,
Let me inhale then breathe,
And I will bring hell to heat the fire burns at 3rd degree,
Feeling like some hope has lost,
Crucial times when I needed them,
Hurt my heart so I played my cards,
I payed them back and visit them,
The road I plays the... ,
That's till the end,
And I only play to win, now let the games begin.

Chorus

Till the end, till the end,
I keep coming back again and again,
Till the sweet till the bitter,
I wont stop I wont give up,
Till the end, till the end,
I'm not here for making friends making friends,
I will march I'm a soldier,
Till it's gone till it's over, (till it's over)
Till the end.

Verse 2

Yeah, I really is,
Star in the hood I'm really S.I.T.H,
The curse the gift believe the life we leads a myth,
Tinchy molded up, and I gaining weight cause I sold
enough,
And I'm boxed in felling tyson'd up,
Cause the expectations rising up,
Angels looking over me,

Tattooed I showed the beat,
LADE...
I plan to hold the keys,
That's till the end,
I only play to win, now let the games begin.

Chorus

Till the end, till the end,
I keep coming back again and again,
Till the sweet till the bitter,
I wont stop I wont give up,
Till the end, till the end,
I'm not here for making friends making friends,
I will march I'm a soldier,
Till it's gone till it's over.

Verse 3

I'll stand my ground,
Imma keep... I'm sky bound,
Look how far that I have come it's my crowd,
And imma be the last one standing (be the last on
standing)
I'll stand my ground,
Imma keep... I'm sky bound,
Look how far that I have come it's my crowd,
And imma be the last one standing (be the last on
standing)

Chorus

Till the end, till the end,
I keep coming back again and again,
Till the sweet till the bitter,
I wont stop I wont give up,
Till the end, till the end,
I'm not here for making friends making friends,
I will march I'm a soldier,
Till it's gone till it's over, (till it's over)
Till the end.
