Your Not Alone  
Stay Strong No Time To Feel Weak  
Wake Up it's Time To Look Deep  
Don't Wait To The End Of Time.

Open Your Mind  
Open Your Mind And See  
Trust Is Their And The Writings Green  
Surely it's Time To Deal With Me.

Look I Know The Feeling  
I Know Your Deep In Working It Out But Their Aint No  
Reason  
And I Know it's All Deceiving  
I Promise You I'm The Air That Your Breathing  
Were Here With You  
In The Same Pase As You  
By Your Side  
Believe it's True  
We've Got The Clearest View.  
Hand In Hand  
Side By Side  
Not Concerned Who Outside  
Not Alone Were All Inside  
Open Your Mind And Rise  
Open Your Mind And Rise.

Your Not Alone  
Stay Strong No Time To Feel Weak  
Wake Up it's Time To look deep  
Don't Wait To The End Of Time.

Open Your Mind

Open Your Mind And See  
Trust Is Their And The Writtings Green  
Surely it's Time To Deal With Me.

And it's All Confusing  
Just keep On Cruising  
Left Or Right Which Way Start Choosing  
I Know Your Fuming  
But Your Boys Right Here  
Hold Tight  
Don't Loose Him.

Were here To Say  
I'm Standing Here Today  
By Your Side Is Were I'll Stay Till Were Old And Grey.  
Standing Strong  
Holding Tight  
Don't Stop Giving Out Red Lights  
Not Alone  
Were All Inside  
Open Your Mind And Rise.

Open Your Mind And Rise.

Your Not Alone  
Stay Strong No Time To Feel Weak  
Wake Up it's Time To look deep  
Don't Wait To The End Of Time.

Open Your Mind  
Open Your Mind And See

Surely it's Time To Deal With Me.

You Need A Shoulder Lean On Mine  
Your Not Alone it's In Your Mind
