"Change Me Back"

Have I regressed to something I detest
'Cause of the way you make me feel
Have I lied and closed my eyes
To all that you are and say is real
Am I wrong? Am I strong? I was mature and pure
But now I'm younger than I was yesterday
Have I changed so much that I'm cold to the touch
Or is it you who have made me this way?

(Chorus)
Change me back to what I was
No one's worth more than myself
Change me back to what I was
Or elseâ€Â¦ I may lose myself

All of the time I thought they were blind
'Cause they couldn't see the good in your soul
But now it seems the goodness was a dream
Because I'm loosing more of myself than anything else
Could it be you deceived me?
While I defended you to all who cut you in two
Oh well if there's a hell you'll have your own cell
I wish you love and I wish you well

(Chorus)
Change me back to what I was
No one's worth more than myself
Change me back to what I was
Or elseâ€Â¦ I may lose myself

I don't hate 'cause you are you
Call it fate don't call me blue
I was wearing my glasses that night
'Cause you totally distorted all my sight

Have I regressed to something I detest
'Cause of the way you make me feel
Have I lied and closed my eyes
To all that you are and say is real
Am I wrong? Am I strong? I was mature and pure
But now I'm younger than I was yesterday
Have I changed so much that I'm cold to the touch

Or is it you who have made me this way?

(Chorus)
Change me back to what I was
No one's worth more than myself
Change me back to what I was
Or elseÃ¢Â€Â¦ I may lose myself
