Take my breath away  
Take my thoughts away  
Take my love way  
But don't-

Take my patience  
Take my peace  
Take my conscience  
But don't take away my-  
Don't take away my-

(Chorus)  
Don't take my song  
My hands of my speech  
Don't take away my song  
Till there're no notes to play or teach

Take my home away  
Take my land away  
Take my heart away  
But don't-  
Take my brother  
Take my father  
Take my friend away  
But don't take away my-  
Don't take away my-

(Chorus)  
Don't take my song  
My hands of my speech  
Don't take away my song  
Till there're no notes to play or teach

Give me an oak box and some strings  
Give me an upright and a bench  
Place me on a corner and let me be  
I'm happy, I'm happy

What is my voice without a melody  
A tangled web of interchangeable complexities  
What are these gifts without my hands  
Grains of wood & sand, grains of wood & sand

(Chorus)

Don't take my song

My hands of my speech

Don't take away my song

Till there're no notes to play or teach
