"Make Your Move"

I've been waiting for you all of my life
I've been waiting for you to make that sacrifice
Can't you see by the way I stand next to you
That I want you to say that you love me too?

(Chorus)

So make you move, it's time to choose
Tell me you're mine before we're out of time
Make your move, it's time to choose
Tell me you're mine before we're out of time

Do you think about me late at night?
Am I on your mind when you turn out the lights?
I can't make it unless you tell me true
That you'll love me always, like I love you

(Chorus)

So make you move, it's time to choose
Tell me you're mine before we're out of time
Make your move, it's time to choose
Tell me you're mine before we're out of time

I've been told that you like certain girls
Girls with fair skin and hair with no curls
But I can tell by the way you look at me
That you will love me real soon, that we were meant to be

I've been waiting for you all of my life
I've been waiting for you to make that sacrifice
Can't you see by the way I stand next to you
That I want you to say that you love me too

(Chorus)

So make you move, it's time to choose
Tell me you're mine before we're out of time
Make your move, it's time to choose
Tell me you're mine before we're out of time
