Quicksilver Lake, where I got my first break
I was fast and quick, water was shallow and thick
My limbs turn gray, didn't need them anyway
I've got to make it
I was born to make it

(Chorus)
Tell me I'm the one
Tell me all the waiting's done
Tell me its okay
We all won't make it anyway

If I push a little harder maybe I'll get farther
If I stand straight my will won't negotiate
How bad do I needed it, my name in lights?
How much do I want it?
Do I have to reach those heights?

(Chorus) x2
Tell me I'm the one
Tell me all the waiting's done
Tell me its okay
We all won't make it anyway

I just want my chance to write me own history
I just want an explanation to set my soul at ease

Quicksilver Lake, where I got my first break
I've got to make it
I was born to make it

(Chorus) x2
Tell me I'm the one
Tell me all the waiting's done
Tell me its okay
We all won't make it anyway
