I'm used to being in control
To being wanted and never let go
I am used o being by myself
And never needing any help
And never needing someone else
Never thought anyone would change this
Until I felt your strange kiss
'Cause baby-

(Chorus)
Baby you make me tremble
You make me tremble, tremble inside
When you touch me I tremble
Touch me I tremble, I'm open wide

I must admit I'm liking this
And once you've started, I can't quiet
There's fire in your fingertips
And in the way you touch my lips
And in the way our bodies fit
Now I'm feeling so desperate
For someone I've just met
'Cause baby-

(Chorus)
Baby you make me tremble
You make me tremble, tremble inside
When you touch me I tremble
Touch me I tremble, I'm open wide

Can you read my mind, baby?
How do you find a way to make me fall apart?
You make my heart go wild

Never thought anyone would change this
Until I felt your strange kiss
'Cause baby-

(Chorus)
Baby you make me tremble
You make me tremble, tremble inside
When you touch me I tremble
Touch me I tremble, I'm open wide
