Other lives, always tempted to trade  
Will they hate me for all the choices I made?  
Will they stop when they see me again?  
I can't stop now I know who I am

Now I'm all yours, I'm not afraid  
You're all mine, say what they may  
And all your love, I'll take to the grave  
And all my life starts now

Tear me down, they can't take you out of my thoughts  
Under every scar there's a battle I've lost  
Will they stop when they see us again?  
I can't stop now I know who I am

Now I'm all yours, I'm not afraid  
You're all mine, say what they may  
And all your love, I'll take to the grave  
And all my life starts

I'm all yours, I'm not afraid  
You're all mine, say what they may  
And all your love, I'll take to the grave  
And all my life starts  
Starts now
