Seventy seven million dollars made
From watchin' me cum under the sun
Under my vacation

Shootin' my jizzy jizzum, the woody
Has rissy rizen

I ain't gettin' paid to entertain your birthday showers
Rockin' my porno tape for hours and hours
Clitoris's are fearin' me it's bigger than Ron Jeremy

'Cause it's them ass cheeks, that make my ass weak
And I've been runnin' with the blue balls since last week
And if you ask me, I'll be glad to speak until we get butt
naked
And break it down with Nasty

Get, get naked
Come on baby make it hot
Get, get naked
Ride the cock till you hit the spot

Get, get naked
Come on baby make it hot
Get naked

Roof roof, doin' it doggy style
Bow wow wow yippy yo yippy yay
Bow wow wow yippy yo yippy yay
Bow wow wow yippy yo yippy yay
Bow wow wow yippy yo yippy

The little Geisha hoe from Tokyo, aho said she could
blow
Ten dallas love me long time in a limo, for really doh
I'm just try in to fly with the flows, freak up some hoes
Blow up the shows, make a little dough

As if you didn't know back to the strip club
Freakin' up some ho ho's
Swingin' my ding-a-ling it ain't no thing

It's those intergalactic ho's who come down
In those space probes five green hyenas
Representin' with no clothes
Mix Master Mike, Mix Master Mike

Makin' the pussy tight
No jimmy no gimme no lust
In the methods of mayhem we trust
It's a must so rip off yer clothes and expose yer bust

'Cause it's them ass cheeks, that make my ass weak
And I've been runnin' with the blue balls since last week
And if you ask me, I'll be glad to speak until we get butt
naked
And break it down with nasty

Get, get naked
Come on baby make it hot
Get, get naked
Ride the cock till you hit the spot

Get, get naked
Come on baby make it hot
Get naked
You only love me when you want punanny

Queen bitch, red lipstick
The all black harlot call me black Barbie
Fuck a blow job, it's a motherfuckin' hobbie
Under 7 inches, aye sorry

Minute men, I can't fuck wit them
I like to ride the cock till you hit the spot
Uhh, come on baby make it hot
Got a Convertible, drop the top

Before we do a thing, I want the diamonds and the
rings
The furs, the minks, the jewels, the links
You know I'm freaky, so ya got to eat me
And I know you hate it but, uh
Get naked

You ain't lickin' this
You ain't stickin' this, we don't want the dick
Fuck the cunt games, you girls can't complain
And I ain't leavin' til you're sleepin' on the cum stains

You ain't lickin' this
You ain't stickin' this, we don't want the dick
Fuck the cunt games, you girls can't complain

And I ain't leavin' til you're sleepin' on the cum stains

Get, get naked
Come on baby make it hot
Get, get naked
Ride the cock till you hit the spot

Get, get naked
Come on baby make it hot
Get naked
