Tilo - power to the positive people please push your
panic buttons

Stop the press it's those hypocritical judge and
condemning preached

With pens behind the desk

Tommy lee - we protest against their negative stress,
time time

Time to get that shit off our chest. I know that violence
Dont fix drama, if you wanna have that good karma go
ask your

Mama! did you uncover your third eye?

Tilo - yeah! and utilized my mental telepathy to get
them away

From t-lee and the rest of the posse

Tommy lee - click click camera flash freeze frame a
time

From the past or if I had a gat I probably would blast
But livin' life like that probably would not last

Tilo - cause somebody one day onto them leave you
left

Deep in the ground your last tour date in a casket
With quadro sound's

Who sets the standards?

Who sets the lines?

Who you? or do they rule yer minds?

Tilo - the snitches the bitches be takin advantages

Of the chances that they be giving confidentiality

T-bone gave a brotha love and he turned that

Shit into 10 g's

Tommy lee - and now it's he who sails the seven

Seas left us in the studio trackin our tracks

And were getting freaky-o paparazzi got a

Satellite 24-7 on my home-o, uh-oh with a

Direct line that goes directly live to the

Tonight show. where they prep like chefs

Cuttin and choppin with their fake ass voice-o's

Tilo - yeah, and supporting a low life sucka who stole
A video tape of my brotha and his wife without they
clothes

Tommy lee - now they pack that shit in the publics nose
but,
Ironically my fellow peeps burn the trash up at our
shows

Who sets the standards?
Who sets the lines?
Who keeps feeding us ethnic seperation..tax
Levels n levels of occupation were all
Significant parts in this universal creation!!

Who sets the standards?
Who sets the lines?
Who you? or do they rule yer minds?
Tilo - see we sick and tired of they tricks we use in
voodoo on
The whole rag-mag click and that hardcopy. shit here
were
Gonna give-em a real topic for the new millenium real
quick!

Who sets the standards?
Who sets the lines?
Who you? or do they rule yer minds?
