~I love it when it goes like...

That!

And like that and like that and like that

Right behind ya whoo

And it feels so good right here

~Now I might not be the flashiest dresser in the room

And I might not know how to look a girl in the eye

I might not have the right pick up lines

But I'll tell you what i got

*Y'see

When I was growin up

I got the inside scoop I used to watch all the older fellas
work

Down the block thats right, when they used to work

I used to watch

And when I watched

I learned

The lover call baby

*If you wanna do it

Do it right

Up and down

Side to side

Baby when you do it for a night

Dont hold me down..

~Now you gotta look sharp fellas

Ohhhhh you gotta act right

Y'see no women in her right mind

Is gonna waste her time

If you wait

On top

Oh oh oh lets not talk about how I know that

Im just hear to pass down what I know to you

*Y'see

When I was growin' up

I got the inside scoop I used to watch all the older fellas
work

Down the block thats right, when they used to work

I used to watch
And when I watched
I learned
The lover call baby

*If you wanna do it
Do it right
Lick it up
Side to side
Baby we can do it for a night
Dont hold me down
Hold me back
