Now I'm shedin' my skin
Ya gotta listen to me I'll tell ya what I see
Never believe whatcha read the shit is spreadin' like a
disease
Never feel withdrawn time to move on

Get your groove on say goodbye
Everything must die solidify and fly to a new level
A place where love is unconditional physical
And non-denominational

Like a snake shed my skin, leave my past where I've
been
Can you feel what I feel
Hold on must be killed, cry over what's been spilled
Can you feel what I feel?

Yeah yeah, can you
Can you feel what I feel?
Yeah yeah, can you
Can you feel what I feel?

See the kid rock bumpin' up and down your block with
no cares
Long hair swingin' middle fingers in the air
People stare 'n' point, I hit the joint and laugh
Kiss my ass

The past is more than 10 years I've known
From a complete unknown to the hot zone
Million dollar home and a diamond ring
Never thought I'd amount to a damn thing

I'm the man sing like Curtis May
Mack on ho's like Ruby Ray
It's been a long time comin' but you know whats
happenin'
Straight pimpin', I'm sitting five times platinum

Like a snake shed my skin, leave my past where I've
been
Can you feel what I feel

Hold on must be killed, cry over what's been spilled
Can you feel what I feel?

Yeah yeah, can you
Can you feel what I feel?
Yeah yeah, can you
Can you feel what I feel?

Like a snake shed my skin, leave my past where I've
been
Can you feel what I feel
Hold on must be killed, cry over what's been spilled
Can you feel what I feel?

Yeah yeah, can you
Can you feel what I feel?
Yeah yeah, can you
Can you feel what I feel?

Can you feel what I feel?
Can you feel what I feel?
Can you feel what I feel?
