Hello

This is the operator with a collect call from the  
LA County jail from Tommy  
Will you accept the charges?

Theory of relativity to spirituality a drift back in my  
memory  
Searching for something significant deep within of me  
I wanna travel the world and the 7 seas  
Adventure to the desert with some water and plant a  
seed

Kick down some of my energy now I can see  
Things that before I could never see  
A new dimension filled with knowledge and harmony  
One brotha to anotha kick back and play a drum

Rely, what lies deep within your mind  
Between you and me look inside and you'll find  
Rely, what lies deep within your mind  
Between you and me let the blind lead the blind

Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from

Make your moves, get ya dibs, nigga fuck them kids  
Talkin' this shit 'bout you Dogg  
They don't know how it is, that's on the up Dogg  
You know what? Mutha fuck y'all 'cause I'm the Top  
Dogg, Big Dogg

Big ball on the block gettin' money, fuckin' hos and  
rockin' hip-hop  
Methods of Mayhem with D-O double G-Y and we ride  
Slidin' to a whole different beat on the street  
Bang bang chitty chitty

I'm a crazy nigga from the mad ass long beach city  
I'm not your neighbor, I'm a gangsta  
With the flavor and the ill behavior

Rely, what lies deep within your mind  
Between you and me look inside and you'll find  
Rely, what lies deep within your mind  
Between you and me let the blind lead the blind

Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from

Cut it direct

Rely, what lies deep within your mind  
Between you and me look inside and you'll find  
Rely, what lies deep within your mind  
Between you and me let the blind lead the blind

Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from  
Who the hell cares, where the fuck you come from
