Your so fly, I'm not gonna lie, you caught my eye
And then you got me so addicted
We can dance, I'll give you a chance, baby it's a love
romance
I know how you prance now you got me predicted
I'll go hard, I'll dance all night in your own small back
yard, you can be
My sexy life guard.

We were made to be, everyone sure agree's, but baby
Why can't you see, we can dance all night under the
tree
You got me addicted, you got obsessed, you got
Me convicted, baby it's a huge request, so why
Can't you see in me, we were meant to be.

I aint gonna lie, but you made me cry, when you said
good-bye
And then I got so upset
Fade, our love has fade, my heart has been played
He probably did a huge trade. you said I was hot, that
was
Just a huge big lie plot, I think you forgot.

We were made to be, everyone sure agree's, but baby
Why can't you see, we can dance all night under the
tree
You got me addicted, you got obsessed, you got
Me convicted, baby it's a huge request, so why
Can't you see in me, we were meant to be.

You and me we godda thing going on, we can dance all
night till' it's
Already dawn. your friends are already gone so just be
with me
Cus' I'm starting to yawn

We were made to be, everyone sure agree's, but baby
Why can't you see, we can dance all night under the
tree
You got me addicted, you got obsessed, you got
Me convicted, baby it's a huge request, so why

Can't you see in me, we were meant to be.
