Girl curl earl hurl swirl twirl whirl
We dance were advance it's game of chance
Baby, high finance. were excited
Reunited and uninvited.

Baby you can do this a little bit more
Baby don't even think it's a bore
Just hit hit the dance floor
You and me together
It's a nice hot hot weather
I think I'm having a crush, I think I'm
Blushing, baby you are my king.

Baby were hot, when were together
I think we got, the chance to beat the weather
Baby you caught, my eyes flung on you
I think you got me the love flu,
I was so sad and I was so blue
Baby you got me a big big clue
Baby you drew, those silly love hearts
I don't mind becuase it's a pice of art
And this is where it starts.

Depart import heartlart incourt
The fashion you bring is making me looking
Love dove belove above labove
The way you walk is making me knock down

Baby you can do this a little bit more
Baby it's not even near a bore
Just hit hit the dance floor
You and me together
It's a nice hot hot weather
I think I'm having a crush, I think I'm
Blushing, baby your my king.

Baby were hot, when were together
I think we got, the chance to beat the weather
Baby you caught, my eyes flung on you
I think you got me the love flu,
I was so sad and I was so blue
Baby you got me a big big clue

Baby you drew, those silly love hearts
I don't mind because it's a piece of art
And this is where it starts.

The smile on your face,
People are not that disgrace
I still want you, to be so true
Is it me that you want, or is there
Someone else.

Baby were hot, when we were together
I think we got, the chance to beat the weather
Baby you caught, my eyes flung on you
I think you got me the love flu,
I was so sad and I was so blue
Baby you got me a big big clue
Baby you drew, those silly love hearts
I don't mind because it's a piece of art
And this is where it starts.
