I don't want, any of your money
But I do need, to see your pretty
Face. I need you everyday
You're the best, good-looking in
This town, I regret! for making
You feel bad! I see that, were not
Gonna go far, I love how, u make me feel good.

Baby stop pretending, acting like you know
Nothing, baby it's in your eyes, I know you
Want me, so just stop just be pleased
Baby I know it's your attitude, and baby
Who you calling dude? baby just smile
Please, gimme that sly face, I like the way
You walking in that pace. oh!

Spike up your hair, cus' it makes you
Look sexier, when your eyes touch
Mine, it makes you look with pride.
The way you walk, it makes me
Talk, but that's how it gets obvious.

Baby stop pretending, acting like you know
Nothing, baby it's in your eyes, I know you
Want me, so just stop just be pleased
Baby I know it's your attitude, and baby
Who you calling dude? baby just smile
Please, gimme that sly face, I like the way
You walking in that pace. oh!

People are warning me that if I
Get with you, then I'm going to
Lose. cus' I do not believe that
Or is it true.

Baby stop pretending, acting like you know
Nothing, baby it's in your eyes, I know you
Want me, so just stop just be pleased
Baby I know it's your attitude, and baby
Who you calling dude? baby just smile
Please, gimme that sly face, I like the way
You walking in that pace. oh!

Baby stop pretending, acting like you know
Nothing, baby it's in your eyes, I know you
Want me, so just stop just be pleased
Baby I know it's your attitude, and baby
Who you calling dude? baby just smile
Please, gimme that sly face, I like the way
You walking in that pace. oh!
