It's a raining day, thought I might stay, inside
For you. I'm feeling blue, with no-one to be true
I take my time to feel alright, I'm all in pain
I feel so lame, because of you, you make me

Lose, all my power, and keep, on getting under and
Through my skin, you make me feel, the wrong
Way and you don't help me heal baby, just keep
It to yourself baby I'm allergic to your health.
The pain inside you cause, because you lied through
All the times we spent a dime. so don't, you bother
Coming back, I already pack, my things, just
Remember not to ring. you make me...

It's hard for me, to be apart, from your heart.
You don't have to lie, you don't have to try, everything
is just bye-bye
What a waste of time, this thing were having it's
Gonna make me feel alive, you make me

Lose, all my power, and keep, on getting under and
Through my skin, you make me feel, the wrong
Way and you don't help me heal baby, just keep
It to yourself baby I'm allergic to your health.
The pain inside you cause, because you lied through
All the times we spent a dime. so don't, you bother
Coming back, I already pack, my things, just
Remember not to ring. you make me...

I'm all alone, I need a patrone, I'm gonna get
Him back with a good pay-back, I know, he's
Not gonna be their and I know it's not gonna be fair
He lied, he tryed, he cried for me to come
Back, but all he did was completely lack.

BABY!

You make me...
Lose, all my power, and keep, on getting under and
Through my skin, you make me feel, the wrong
Way and you don't help me heal baby, just keep
It to yourself baby I'm allergic to your health.

The pain inside you cause, becuae you lied through
All the times we spent a dime. so don't, you bother
Coming back, I already pack, my things, just
Remember not to ring. you make me...
