In the north eastern sky
Down the sun in my mind
He's making his way into our world
It's a long way to go
Five days in a row
Oh but Hannah she knows what's good for him

And you'll see him
you'll feel him
Because he's talking to you

And Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know,

In the north eastern sky
Down the sun in my mind
She's making her way into our world
It's sure a long way to go
Five days in a row
But oh
And Hannah she knows what's best for him

And you'll see him
you'll feel him
Because he's talking to you

And Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know
Woah oh oh oh

But you'll see him
And you'll feel him
Because he's talking to you

And Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know, he's gone
Hannah we know
