In the light when I close my eyes
Yeah in the night when my mouth turns blue
You know I will wait for you ooh ooh
its all that I can do

Under stones and inside the trees
Yeah far away from this town I steal
You know I will wait for you ooh ooh
Its all that I can do

And I will always do my worst
You know I'll rise each day for work
An I will try to do my best for you
And hope
that one day you'll wait for
someone like me

Close to home & in your backyard
Yeah when its late and your plants have died you know
I will wait for you ooh ooh
It's all that I can do

And I will always do my worst
You know I'll rise each day for work
And I will try to o my best for you
oh
But one day you'll wait for
someone like me

I will wait for you ooh ooh
Its all that I can do

I will wait for you ooh ooh
Its all that I can do

You know I will wait for you
Its all that I can do
