Dark is the sun that my memory makes,
Lonely the image my yesterday takes,
Does the direction,
In which I go,
Not where I feel I must fall?
I seem to hear a voice call;

(chorus)
It's all right now,
Take it easy,
Don't you worry,
It's all right now

Here is the place that I'd most like to be,
High above life's mundanity,
Sunshine and laughter,
All the good things,
Look how wild the angels sing,
Must be an angel sayin'

(choir)
It's all right now,
Take it easy,
Don't you worry,
It's all right now.

But I don't know where I'm going,
And I'm not going back,
Yet the mile that brought me this far,
It came on a one-way track.

And I've had my fill of lyin',
I've had my day of mold,
I'm fed up with your cryin'
I'm better off alone!

Dark is the sun that my memory makes,
Lonely the image my yesterday takes,
Does the direction,
In which I go,
Not where I feel I must fall?

I seem to hear a voice call;

(chorus)

It's all right now,

Take it easy,

Don't you worry,

It's all right now.
