As I approach the prime of my life  
I find I have the time of my life  
Learning to enjoy at my leisure, all the simple  
pleasures  
And so I happily conceive, this is all I ask  
This is all I need  
Beautiful girl, walk a little slower when you are by me  
Lingering sunset, stay a little longer with the lonely sea  
Children everywhere when you shoot at them, and  
shoot at me  
Take me to that strange and shattered land  
Grown-ups seldom understand  
Wandering rainbows need a bit of color for my heart, to  
all of me  
Stars in the sky, make my wish come true  
Before the night has flown and let the music play  
As long as there's a song to sing  
And I will stay younger, I will stay younger  
I will stay younger than spirea (not sure about that last  
word)  
\*Spoken\*  
Oh thank you, thank you, thank you so much  
Mother darling, Father dear  
Thank you everyone  
Goodbye, goodbye
