Yeah I found a way out of this katastrop(hob)ik cell  
We got in touch we got in touch paid the price for glory  
My hero my hero won't you come and save tomorrow  
My hero

These writings on the wall foretelling you the fall  
Stop polishing your rifle stop punishing your kids  
Tread them like you wanna be treaded

So here is an anthem for everyone  
One by one sing what's unsung

Yeah this is an anthem for everyone  
This is an anthem sing what's unsung  
This is an anthem to defend our beliefs  
This is an anthem

No fear no fear as you struggle through your maze  
You put your faith in friends but friends  
regardingprivileges  
My hero my hero won't you come and save tomorrow  
My hero

Pay! I spill my heart but you deny it once again  
Compassion fails despite of strain  
So here is an anthem for everyone
