black sheep come home x15
hello again friend of a friend
i knew you when
our common goal was waiting for the world to end
now that the truth is just a rule that you can bend
you crack the whip, shape shift and trick the past again
send you my love on a wire lifts you up every time
everyone
ooh pulls away ooh from you
ooh ooh x3
got walls of of steel, got an automobile
for a minimum wage, got real estate im buying it all up
in outer space

now that the truth is just a rule that you can bend
you crack the whip, shape shift and trick the past again
send you my love on a wire lifts you up every time
everyone
ooh pulls away ooh its a mechanical bull if not the one
you'll take a ride
from anyone, everyone wants a ride pulls away ooh
from you
ooh ooh x7
