I'm the blade  
You're the knife  
I'm the weight  
You're the kite

They were right when they said  
We were breathing underwater  
Out of place all the time  
In a world that wasn't mine to take

I'll wait  
Is this my life?  
Ahhh  
Am I breathing underwater?  
Is this my life?  
Ahhh  
Am I breathing underwater?

I'm the blade  
You're the knife  
I'm the weight  
You're the kite  
They were right when they said we should never meet our heroes  
When they bowed at their feet, in the end it wasn't me

Is this my life?  
Ahhh  
Am I breathing underwater?  
Is this my life?  
Ahhh  
Am I breathing underwater?

Nights are days  
We'll beat a path through the mirrored maze  
I can see the end  
But it hasn't happened yet

I can see the end  
But it hasn't happened yet

Is this my life?  
Ahhh  
Am I breathing underwater?  
Is this my life?  
Ahhh  
Am I breathing underwater?  
  
Am I breathing underwater?
